

On pace to double last year!

Deadline to apply is December 15

We would like to say thank you for spreading the word about our scholarship. Our application has been open two weeks and we are on pace to double the number of applications received last year!

Since 2006, we have awarded over \$5,000,000 to students from middle Tennessee who are pursuing degrees in business and STEM related majors.

Interested students can learn more, and begin their application, by visiting our [scholarship page](#). Deadline to apply is December 15th.

Scarlett Scholars by the Numbers

Since 2006

Our scholars represent **118** high schools, from **33** middle Tennessee counties. They are enrolled, or have graduated from, **84** universities across the United States.

Here's a [complete list](#) of the high schools and universities. This list grows annually and we hope to see every high school in all 40 counties represented one day!

Please continue to share our newsletter with family and friends who have high school seniors, as well as any teachers and guidance counselors who would be interested.
