

SCARLETT FAMILY FOUNDATION

The Foundation is often asked “Why are for-profit institutions excluded from our scholarship program?”

We may award scholarships to only non-profit institutions.

The Scarlett Family Foundation is a private foundation and as stated in our IRS approved charter, we are required to operate exclusively for the charitable and educational purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986.

Academic scholarships can only be awarded to educational organizations to which contributions are deductible as described in Code Section 170(c)(1) or (2).
